

GLOBAL CLEANTECH INNOVATION PROGRAMME FOR SMEs IN SOUTH AFRICA

JUDGE REGISTRATION PROCEDURE

How to Register as a Judge

You will need to have a Cleantech Open account to participate as a judge on the Global Cleantech Innovation Programme.

Information on the Requirements of the Judging and Judging Criteria is available on the South Africa GCIP website at:

- <http://southafrica.cleantechopen.org/judge-2/>
- <http://southafrica.cleantechopen.org/judging-criteria/>

1. Registration should be completed online on the South Africa GCIP website at www.southafrica.cleantechopen.org

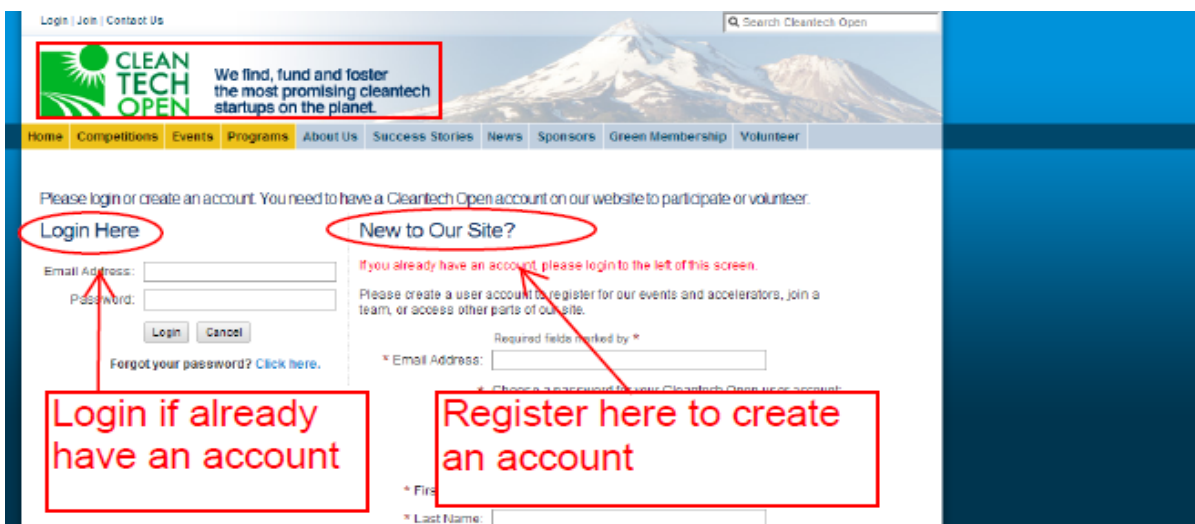

2. Select the “**Apply Now**” menu to complete the Judge registration on Cleantech Open.

The system will provide you with **Instructions** on login or creating a user account on Cleantech Open website as **Judge**.

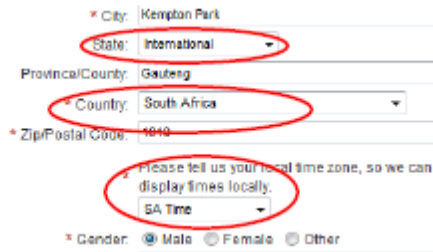

3. Select **“LOGIN”** to access the Cleantech Open website.

The Cleantech Open will provide you with an option of login if you have an existing user account on **“Login Here”** or creating a new user account on **“New to Our Side”**.

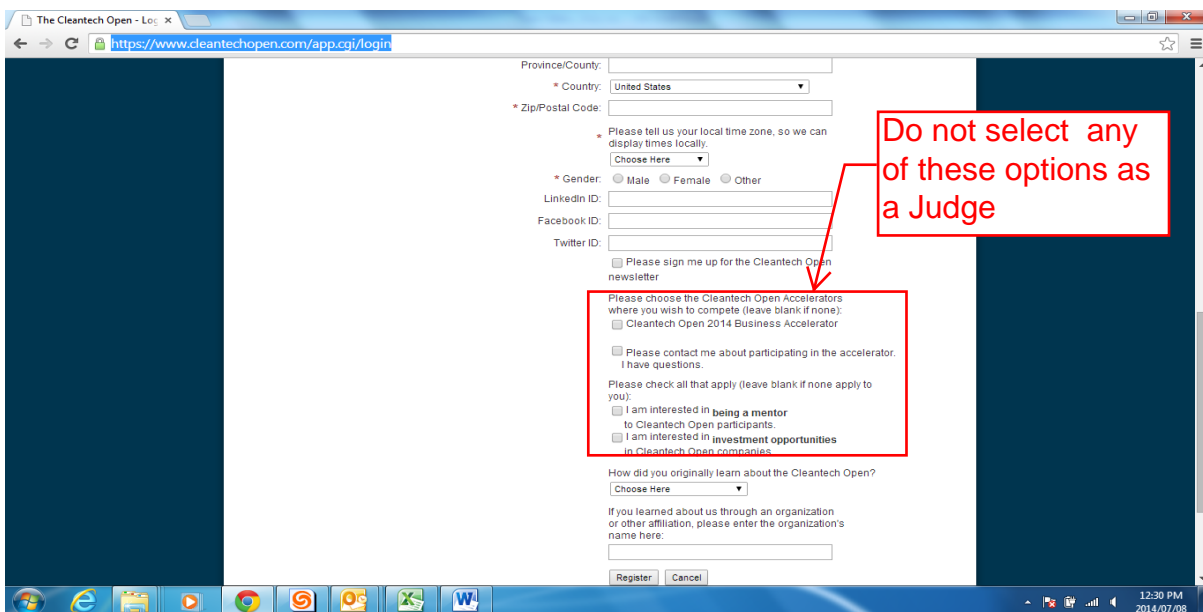

- Complete your personal details on the registration form on the “New to Our Site?” section.
- Select **International** for the *State*, **South Africa** for the *Country* and **SA Time** for *local time zone*.

* City: Kempton Park
 State: International
 Provincial/Country: Gauteng
 Country: South Africa
 Zip/Postal Code: 1619
 Please tell us your local time zone, so we can display times locally.
 SA Time
 Gender: Male Female Other

- Do NOT select the following three options as a judge:
 - Cleantech Open 2014 Business Accelerator
 - I am interested in being a mentor to Cleantech Open participants
 - I am interested in investment opportunities in Cleantech Open companies

- Click on “**Register**” to submit the registration form and create your user account.
- Send email to cleantech@tia.org.za to inform us that you have registered as a **Judge for GCIP-SA**.
